Respondent reacted to the motion on Apr. 14, 2023, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. Respondent's Response to Motion at 2-3, 3 n.2, ECF No. 43. Petitioner did not file a reply thereafter.

The rates requested for work performed through the end of 2022 are reasonable and consistent with our prior determinations, and will therefore be adopted. Petitioner has also requested the hourly rate of \$375 for 2023 work performed by Ms. Laura Levenberg – representing a rate increase of \$25. Motion at 1. I find this hourly rate to be reasonable and will award the attorney's fees requested. (And all time billed to the matter was also reasonably incurred).

Furthermore, Petitioner has provided supporting documentation for all claimed costs. Attachment to Motion at 14-24. Respondent offered no specific objection to the rates or amounts sought.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$13,336.49 (representing \$12,478.40 for attorney's fees and \$858.09 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, Laura Levenberg.**

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.<sup>3</sup>
